South Coast AQMD Issues Windblown Dust Advisory for Portions of Orange, Riverside and San Bernardino Counties

Valid Sunday October 25, 2020 through Tuesday October 27, 2020

This advisory is in effect through Tuesday Evening. South Coast AQMD will issue an update if additional information becomes available.

A PM10 Dust Advisory is in effect for Sunday, October 25, 2020 through the evening of Tuesday, October 27, 2020. Strong winds from the west with gusts up to 65 mph are predicted by the National Weather Service (NWS) for Sunday afternoon and evening. Winds will shift and come from the north and northeast starting early Monday morning and lasting through Tuesday evening with gusts up to 60 – 75 mph. Areas of blowing sand and blowing dust are predicted throughout this wind event, which may result in **Unhealthy for Sensitive Groups** or higher AQI levels at times for portions of Orange, Riverside, and San Bernardino Counties.

The NWS has posted High Wind Warnings, Red Flag Warnings, and Wind Advisories for portions of Los Angeles, Orange, Riverside, and San Bernardino Counties. NWS High Wind Warnings expire at 2:00 PM on Tuesday while Red Flag Warnings expire at 6:00 PM on Tuesday. NWS Wind Advisories for the San Geronio Pass and the Coachella Valley expire at 11:00 PM on Monday. For information regarding the NWS warnings and advisories, please visit the NWS San Diego (<https://www.weather.gov/sgx/>) and Los Angeles/Oxnard (<https://www.weather.gov/lox>) websites.

In areas directly impacted by windblown dust: Limit your exposure by remaining indoors with windows and doors closed and avoiding vigorous physical activity.

Overall, PM10 concentrations are expected to be elevated at times in portions of Orange, Riverside, and San Bernardino Counties due to the Santa Ana wind event. Air quality may reach **Unhealthy for Sensitive Groups** or higher levels in areas directly impacted by dust.

Areas of direct impacts and poor air quality may include portions of:

- **Orange County:** Northern Orange County (Area 16), Central Orange County (Area 17)
- **Riverside County:** Corona-Norco (Area 22), Metropolitan Riverside County (Area 23), Perris Valley (Area 24), Hemet-San Jacinto Valley (Area 28), San Gorgonio Pass (Area 29), Coachella Valley (Area 30)
- **San Bernardino County:** Northwest San Bernardino Valley (Area 32), Southwest San Bernardino Valley (Area 33), Central San Bernardino Valley (Area 34), East San Bernardino Valley (Area 35)

In areas directly impacted by windblown dust: Limit your exposure by remaining indoors with windows and doors closed and avoiding vigorous physical activity.
